Travis,

Please work with my coworker, Michele Dermer (copied in this email), who is the permit writer assigned to this project.

It appears that some files have been uploaded to the "Phase1-PreConstruction" folder of this project in GSDT.

Regards,  
Calvin

Yenhung,  
I'm hoping you can help.

CRC has submitted the required documentation for the Elk Hills A1-A2 project. Can you confirm that it was received via the GSDT?

Many thanks,
